Ed,

This is the latest version of the questions from the 3-7 Lane Plating meeting. I marked some questions that I would like you to respond to. We have answers from TCEQ but we are still waiting on TX DSHS and the city of Dallas. I think we will get answers from TXDSHS tomorrow. I would like to finish this so we can put it on the website.

I have the Final CSMTM and Draft final SAP to put on the website, but SEMS is not working so I can't file these documents. I'll try again tomorrow.
